

## DM50 Cub

The 50cc JR50 is Katterra's entry level ATV for young aspiring motor sports enthusiasts.

The Cub boasts a competent 49cc single cylinder four stroke engine with automatic transmission and electric start for ease of use. With a hand brake lever and a foot brake sized right for smaller riders. The Cub comes equipped with a safety lanyard in the event that rider and machine become separated the machine will turn off.

The Katterra 49cc Cub is perfect for the young rider that wants to join mom or dad on the trails this year.
