

## ***KM150*** **Adventurer**

The KM150 Adventurer is Katterra's midsize ATV. This quad is great for the youngster that's not ready for a large manual transmission sport quad and for mom or dad who just enjoy puttering around the trails.

The single cylinder air cooled 150cc four stroke powerplant is a tried and true engine providing great torque and horsepower as well as great reliability and longevity. Equipped with a "twist 'n' go" automatic transmission

controlled through a manual lever for forward, neutral and reverse.

The Adventurer is equipped with safety features like dual front headlights and a brakelight. Electric Key start and electronic choke are standard on this model.
