

KM200s Warlock

The Warlock is the Katterra quad for serious racers in the mid-size under 200cc class. The Warlock will make a statement on the race course or out in back country!

It is equipped with a 200cc four stroke liquid cooled powerhouse matched to a 4 speed manual transmission that has a built-in reverse. Front hydraulic disc brakes are covered by our new 2 piece wheels.

New for the 2007 model year is Katterra's race quad adjustable suspension setup with adequate ground clearance for any trail. Heavy duty shocks and a wide stance give this ATV amazing handling and riding capability through over or around any type of terrain.

This is our introductory Race Quad to our KMS line-up. Look out for the KMS line launched Spring of 2007!
